The Care and Service of Your Aircraft is Important to Us

Our spacious hangars, certified aircraft maintenance and avionics repair station technicians, and efficient line personnel are always ready for your aircraft. We encourage you to take advantage of our competitive fuel prices, quick turnarounds, and friendly service.

■ THE AVIONICS REPAIR STATION

Provides inspection, maintenance and overhaul of avionics and instruments through our Part 145 FAA Certified Repair Station Certificate #B3LR015N

■ THE AIRCRAFT MAINTENANCE DIVISION

Provides single, twin and line turbo maintenance; and inspections and repairs

BOREAL AVIATION SUPPORTS THE NEEDS OF GENERAL AND CORPORATE AIRCRAFT THROUGHOUT MICHIGAN AND NORTHERN WISCONSIN.

A Complete Complement of Flight Line Services

Our FBO offers you every comfort and convenience you would expect from a superior FBO (includes Heavy Aircraft, Corporate, Commercial and General Aviation).

Satisfaction is our Goal

Boreal Aviation, Inc. conducts business at the Sawyer International Airport, in Gwinn, Michigan.

Conveniently located in the heart of Michigan's Upper Peninsula, our 8,900 sq ft facility houses our FAA Certified Avionics Repair Station, two Precision Measurement Equipment Calibration Laboratories with all supporting measurement and test equipment.

Aircraft Services are spread out over ten acres of ramp space, which includes three aircraft hangars with over 38,000 square feet of total floor space.

JET-A AND 100LL FUEL AVAILABLE

Our Mission

To be a leading provider of Aircraft Services, Aircraft Maintenance, Avionics Repair and Commercial Test Equipment Calibration. To achieve this goal, we provide qualified personnel and efficient services of the highest quality at competitive rates.
