## Updates Regarding COVID-19 Effects

Due to the recent effects of the COVID-19 virus, Michigan Governor Whitmer issued a state-wide executive order mandating travel only for essential purposes. This order affects both Sawyer International Airport's employees and passengers. Staffing has been reduced for both the safety of the airport staff and public. Please see updated procedures and recommendations put into effect to help mitigate any complications caused by these changes.

- ! The training center has implemented limited hours for tenants. The badging office will only be open on Wednesdays. Tenants must contact the airport office at 906-346-3308 to schedule an appointment.
- ! The airport has increased its' daily cleaning regime by disinfecting and sanitizing all portions of the airport terminal surfaces, focusing on high traffic areas. Sanitization stations are located in the main terminal near the restrooms.
- ! In reference to Governor Whitmer's executive order, limit all travel when possible. It is important to only travel when absolutely necessary.  
-See Executive Order No. 2020-21
- ! Flight schedules for all airlines have been reduced. For any airline-related questions, concerns, or to make a flight change and/or cancellation, the airline must be contacted directly.
