

## COUNTY OF MARQUETTE, MICHIGAN

Sawyer International Airport  
Airport Advisory Committee  
Thursday, June 11<sup>th</sup> 2020

# Agenda

### 1. Call to Order:

### 2. Approval of the Agenda:

### 3. Public Comment:

### 4. Approval of Minutes:

➤ May 14<sup>th</sup>, 2020

### 5. Items of Discussion:

#### A. Marquette County Flying Club

- i. More information was requested from the MCFC regarding the tax calculations of Hangar 402. Megan Murray with SAW stated she would reach out to the county. Megan also stated she will assist the MCFC in researching possible grants to assist with increasing the flying club's operating spaces and funding.

### 6. Informational Items & Project Updates:

A. First Annual "Yooper Looper" Aerobatic Contest coordination/planning has begun. Event will be held at the EAA offices and ramp areas and open to the public. Event Head Coordinator is Roger Bentlage. SAW is assisting in all areas applicable. Volunteers needed if interested.

#### B. Temporary Layoffs for Sawyer Staff

- i. All SAW employees who were placed on temporary lay-offs returned back to the airport on May 25<sup>th</sup>. This includes our badging specialist and marketing and development coordinator.

#### C. Project Updates

##### i. Crack Sealing and Pavement Marking and De-Ice Storage Tank Projects:

1. Construction is still expected to begin August 2020 for both projects. No update.

##### ii. Security Cameras

1. Almost all of the cameras have been installed; currently waiting on 3 more cameras to be delivered.

#### D. CARES Grant Funds

- i. SAW granted \$18,075,846. Will be used for operational expenses and airport development projects. No update.

E. National Carbon

- i. Regarding the product contamination on surrounding areas: National Carbon has been contacted and discussions were made on proper handling of material to minimize contamination of surrounding areas. Coordination has begun on getting the roads surrounding National Carbon to be swept/cleaned.
- ii. Roof repair coordination has begun with National Carbon.

F. MLI Update

- i. As of now, there is no update regarding the vertical launch site.
