**FOR IMMEDIATE RELEASE**  
**October 8, 2021**

MARQUETTE - Sawyer International Airport, County of Marquette, is pleased to announce the continued partnership with MedNext and HONU Management Group for CoVid 19 testing. Testing will continue at the Sawyer International Airport, but will be limited strictly to ticketed passengers or airport credentialed tenants. Vaccinations will also be offered at the testing site to better serve the flying public.

**Sawyer International Airport**

*Ticketed Passengers / Airport Credentialed Tenants*

Days of Operation: M – W – F, 9:00 a.m. – 4:00 p.m.

Appointment or Walk-Ins Welcome

Given the uptick in CoVid 19 numbers and the increased volume of testing by non-traveling public at the airport, MedNext and HONU Management Group will be opening a second testing site in Marquette, MI, for the general public. This site will be open seven days a week, beginning Monday, October 11<sup>th</sup>.

**Westwood Mall**

*General Public*

Days of Operation:

Monday – Saturday, 1:00 p.m. – 7:00 p.m.

Sunday, 11:00 a.m. – 5:00 p.m.

Both sites offer the rapid test, providing results within 30 minutes. PCR lab tests are also available with results usually within three days.

The testing services at both locations are free of charge. Insurance is accepted but not required. Children under 18 need parental consent.

Visit <http://www.solvhealth.com/> to register for an appointment at Sawyer International Airport or <https://honumg.info/Westwood> for the Westwood Mall location. You may also register using the QR code or call 866-809-8282 to find testing facilities throughout the State or have questions regarding the status of your results.
