Marquette Sawyer Regional Airport Announces Additional American Airlines Flight

Expanded service provides greater flexibility and convenience for travelers

Marquette, MI — Marquette Sawyer Regional Airport is excited to announce the addition of a second daily American Airlines arrival and departure, offering even more travel options for the community and surrounding areas. American Airlines has enhanced its schedule with a new afternoon flight, complementing the existing service and providing greater flexibility for passengers.

“We are very excited for the opportunity to announce this additional flight to better serve our passengers,” said Duane DuRay, Director at Marquette Sawyer Regional Airport. “The expanded schedule provides more flexibility for both business and leisure travelers, making it even easier to connect to major hubs and destinations across the country.”

American Airlines' service from Marquette connects travelers through Chicago O'Hare International Airport, offering convenient access to a vast network of domestic and international destinations. As passenger numbers continue to rise in Michigan's Upper Peninsula, the demand for more flights through Marquette Sawyer Regional Airport has never been clearer.

Passengers can book tickets now at www.aa.com or through their preferred travel agent.
