Although every effort will be made to follow this schedule, the County reserves the right to modify the dates as necessary and to accommodate special circumstances. All RFP's are due by the time specified. Any RFP received at the designated location after the required time and date specified for receipt shall be considered late and non-responsive. The County is not responsible for delays occasioned by the US Postal Service, the internal mail delivery system of the county, or any other delivery method employed by the Vendor.

TECHNICAL PROVISIONS

The County of Marquette/ Marquette Sawyer Regional Airport is seeking bids from qualified vendors to provide solid deicing/anti-icing compound, Sodium Formate/Acetate Blend, for runways and taxiways in accordance with the specifications, on an as needed basis.

1. AMS 1431 certified solid airfield deicer
Composition: 70-80% Formate and 20-30% Acetate
Granule Size: 2.0-5.6mm (#10 – #3.5 sieve)
Bulk Density: 53 lbs/ft³ to 56 lbs/ft³
pH (15% solution): 9.0 – 10.5
Packaging: 1,000 lb sacks (1,000 kg sacks not accepted)
2. Additional requirements prior to the award:
 - a. The product shall be minimum 70% Formate and a minimum of 20% Acetate.
 - b. The vendor shall provide a copy of independent laboratory certification of the product to AMS 1431 - certification shall be submitted with vendors bid.
 - c. The product shall be Granular in shape.
 - d. The Product Must Be Tinted Blue.
 - e. The vendor shall provide a comprehensive technical bulletin covering at minimum the Product's environmental impact, Material Safety Data Sheets (MSDS), handling, storage and application guidelines.
 - f. One (1) year storage stability test must be complete and conform to 3.2.4 of AMS 1431.
3. Or Equivalent

PROPOSAL REQUIREMENTS

1. The County of Marquette/Marquette Sawyer Regional Airport shall notify the awarded vendor within **60 days** from the due date of this Request for Proposal.
2. The unit price hold will go into effect upon notification of award from the customer (Marquette Sawyer Regional Airport) after approval from the Marquette County Board is received.
3. The County of Marquette/Marquette Sawyer Regional Airport shall have the option to submit multiple orders of at least two 1,000-pound sacks within the price hold period of 150 days.

NOTE TO VENDORS

Bids are requested from Direct Manufacturers or Stocking Distributors because product quantities per order placed under this contract may vary and orders must be **delivered within seventy-two (72) hours** after order is placed by the authorized SAW Individuals. A Direct Manufacturer is defined as an organization operating a factory on its premises that produces the product and its primary component. A Stocking Distributor is defined as a company that distributes the product from inventory or stock.
